

Tapestry Folkdance Center

Board of Directors Search 2016

Our wonderful dance community could use your leadership. The Tapestry Board of Directors has several openings for the term beginning July 2016. Board member terms are three years.

The Board of Directors is a central part of Tapestry Folkdance Center, providing organizational governance and guidance in support of Tapestry's mission. As a board member, you have an opportunity to bring your particular talents and ideas, and to work with individuals from other dance communities to sustain and grow the organization.

Tapestry has needs in many areas. Please consider what you can offer in areas such as:

- **Business:** accounting, law, human resources, research & analysis, sales, computers
- **Fundraising:** major donor relations, grant writing
- **Nonprofits:** nonprofit governance
- **Communications:** marketing, social media, web design, graphic design
- **Facilities:** contracting, plumbing, HVAC, carpentry, electrical, interior decorating
- **Miscellaneous:** Surprise us! You may have a skill that is very helpful that we haven't listed here (for example, a current board member has expertise in workplace safety and emergency planning)
- . . . and, of course, music and dance and other elements of our core mission

Though Board members are usually involved in Tapestry dance communities, there is no requirement that you must be a Tapestry dancer. Outside perspectives can be valuable. **Board members must be members of Tapestry while on the Board.**
